

MASSDIGI END USER LICENSE AGREEMENT

THIS END USER LICENSE AGREEMENT (the “EULA”) is a legal agreement between you and William Sever Inc operating as MassDiGI (“MassDiGI”) that governs your use of a pre-release beta version of a triage simulation software product for first responders and medical professionals currently entitled Jumpstart Triage (the “Simulation”).

By downloading or using the Simulation, you are signifying your acceptance and agreement to be bound to the terms and conditions of this EULA. If you do not agree to be bound to all of the terms of this EULA, you are not authorized to download or use the Simulation.

By using the Simulation, you further attest that you are above the age of majority in the jurisdiction in which you are located. Use of this Simulation by anyone below the age of majority in the jurisdiction in which he or she is located is strictly prohibited.

WARNING: READ BEFORE USING SIMULATION. The Simulation is designed for use by first responders and medical professionals to supplement their training in preparation for high-intensity triage situations within the scope of their employment. The Simulation is not intended for use by any individual other than first responders and medical professionals.

DISTURBING CONTENT NOTICE. THE SIMULATION CONTAINS A FICTIONAL SCENARIO THAT SOME INDIVIDUALS MAY FIND DISTURBING. THOSE WHO ARE UNCOMFORTABLE WITH VIEWING INDIVIDUALS GRAPHICALLY DEPICTED IN VARYING DEGREES OF DISTRESS SHOULD NOT USE THE SIMULATION. THE SIMULATION MAY CAUSE DISTRESS TO SOME INDIVIDUALS.

SIMULATION TRAINING PURPOSES. In no way is the Simulation to be used for leisure activity or personal enjoyment. Completion of the Simulation does not provide (a) a triage certification; (b) sufficient training in a triage scenario; or (c) the requisite practice, education, or guidance to be considered a full or complete training software. MassDiGI and Yale University do not contend or endorse that an individual who uses the Simulation is sufficiently trained for a triage scenario. The Simulation is intended only to supplement an accredited triage training program.

PHOTOSENSITIVE EPILEPSY. The simulation may induce seizures for individuals with Photosensitive Epilepsy. If you have Photosensitive Epilepsy or feel you might be susceptible to a seizure, DO NOT USE THE SIMULATION.

a. Scope of License. Subject to your compliance with the terms and conditions of this EULA, MassDiGI grants to you a non-exclusive, revocable, limited, license to use the Simulation for your personal non-commercial use. This license does not allow you to distribute or make the Simulation available over a network where it could be used by multiple devices at the same time. You may not rent, lease, lend, sell, redistribute or sublicense the Simulation. You may not copy, decompile, reverse engineer, disassemble, attempt to derive the source code of, modify, or create derivative works of the Simulation, any updates, or any part thereof (except as and only to the extent any foregoing restriction is prohibited by applicable law). Any attempt to do so is a violation of the rights of MassDiGI and its licensors. If you breach this restriction, you may be subject to prosecution and damages.

b. Consent to Use of Data. MassDiGI may ask you to provide comments, suggestions, and impressions of the Simulation by using an e-mail address made available by MassDiGI. You hereby agree to provide feedback, analysis, suggestions and comments to MassDiGI (including, but not limited to, bug reports and test results) as reasonably requested by MassDiGI, or as otherwise voluntarily provided by you (collectively, “Feedback”). You agree that MassDiGI may use such Feedback and related information for any lawful purpose, including without limitation to enhance the Simulation.

c. Ownership. Except for the revocable, limited license expressly granted hereunder, MassDiGI retains all right, title and interest in and to the Simulation and all copies thereof, and all data in connection therewith, including without limitation, all patent rights, copyrights, inventions, trade secret rights, trade dress rights, trademark rights and intellectual property rights therein and thereto. The Simulation is protected by United States copyright laws and international treaty provisions.

d. Termination. Your access to and ability to use the Simulation may be time limited, including through technological means. MassDiGI may at any time terminate the license granted to you by way of this EULA at any time for any or no reason. Additionally, the license granted to you by way of this EULA will terminate automatically without notice if you fail to comply with any of its terms or conditions. Upon termination of the license, you must immediately cease all use of the Simulation.

e. NO WARRANTY. YOU EXPRESSLY ACKNOWLEDGE AND AGREE THAT USE OF THE SIMULATION IS AT YOUR SOLE RISK AND THAT TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, THE SIMULATION IS PROVIDED “AS IS” AND “AS AVAILABLE,” WITH ALL FAULTS AND WITHOUT WARRANTY OF ANY KIND, AND MASSDIGI HEREBY DISCLAIMS ALL WARRANTIES AND CONDITIONS, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY, OF SATISFACTORY QUALITY, OF FITNESS FOR A PARTICULAR PURPOSE, OF ACCURACY, AND NON-INFRINGEMENT. Some jurisdictions do not allow the exclusion of implied warranties or limitations on applicable statutory rights of a consumer, so the above exclusion and limitations may not apply to you.

f. LIMITATION OF LIABILITY. TO THE EXTENT NOT PROHIBITED BY LAW, IN NO EVENT WILL MASSDIGI BE LIABLE FOR PERSONAL INJURY, LOSS OF PROFITS, OR ANY INCIDENTAL, SPECIAL, INDIRECT OR CONSEQUENTIAL DAMAGES WHATSOEVER, REGARDLESS OF THE THEORY OF LIABILITY (CONTRACT, TORT OR OTHERWISE) AND EVEN IF MASSDIGI HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. Some jurisdictions do not allow the limitation of liability for personal injury, or of incidental or consequential damages, so this limitation may not apply to you. In no event will MassDiGI’s total liability to you for all damages (other than as may be required by applicable law in cases involving personal injury) exceed the actual amount of direct damages or ten dollars (\$10.00), whichever is less. The foregoing limitations will apply even if a remedy fails of its essential purpose.

g. Commercial Item. The Simulation is a “Commercial Item,” as that term is defined at 48 C.F.R. §2.101, consisting of “Commercial Computer Software,” as such terms are used in 48 C.F.R. §12.212 or 48 C.F.R. §227.7202, as applicable. Consistent with 48 C.F.R. §12.212 or 48 C.F.R. §227.7202-1 through 227.7202-4, as applicable, the Commercial Computer Software is being licensed to U.S. Government end users (a) only as Commercial Items and (b) with only those rights as are granted to all other end users pursuant to the terms and conditions herein. Unpublished-rights reserved under the copyright laws of the United States.

h. Governing Law. The laws of Massachusetts, excluding its conflicts-of-law rules, govern this EULA. You expressly agree that exclusive jurisdiction for any claim or dispute with MassDiGI or relating in any way to your use of the Simulation will be the Federal or state courts located in Boston, Massachusetts and you further agree and expressly consent to the exercise of personal jurisdiction in such courts in connection with any such dispute including any claim involving MassDiGI or its parent, affiliates, subsidiaries, employees, contractors, officers, directors, vendors and content providers.

i. Severability. If any provision, section or portion of this EULA is found illegal or unenforceable, that provision, section or portion will be severed and the remainder of the EULA will be given full force and effect.

j. Survival. The obligations set forth throughout this EULA will continue in full force and effect even after the Simulation has been terminated and/or your use of the Simulation has been terminated.

k. Entire Agreement. This EULA is the entire agreement between you and MassDiGI with respect to the Simulation and supersedes all prior or contemporaneous understandings. No failure to exercise or delay in exercising a right or power hereunder will operate as a waiver.

YOU HEREBY ACKNOWLEDGE THAT YOU HAVE READ AND UNDERSTAND THE FOREGOING TERMS AND CONDITIONS OF THIS EULA AND YOU AGREE THAT YOUR USE OF THE SIMULATION IS AN ACKNOWLEDGMENT OF YOUR AGREEMENT TO BE BOUND BY THE TERMS AND CONDITIONS OF THIS EULA.
